## GOD SAID IT LONG AGO

The Apostle Paul shows here the foolishness of man placing confidence in himself and not in the God. *“God having made a clear discovery of himself to them. For his being and perfections, invisible to our bodily eyes, have been, ever since the creation of the world, evidently to be seen, if attentively considered, in the visible beauty, order, and operations observable in the constitution and parts of the universe; especially his eternal power and universal dominion and providence: so that they cannot plead ignorance in excuse of their idolatry and wickedness.”*

**Science:** A.D. 1930 – Deep-sea diving equipment was used to discover unknown sources providing fresh water welling up to the surface in the ocean.  
 A.D. 1945 – it was not until oceanography research ships plied the seas after World War II, using the latest equipment including explosive charges for depth recorders, that underwater volcanoes were discovered.

### Conclusion:

These evidences are only touching the surface of what the Bible has claimed for thousands of years. The writings of these men from 1000 to 3000 years ago have been proven correct by sciences through the use of devices such as microscopes and different experiments performed inside of high-tech labs by man.

Think about that and remember that GOD SAID IT LONG AGO!

### Conclusion:

**Acts 7:51**, – “*Ye stiffnecked and uncircumcised in heart and ears, ye do always resist the Holy Spirit: as your fathers did, so do ye.*”
